20-year Anniversary

Faculty of Informatics 20 years at the cutting edge.

C

20-year Anniversary Inaugural event

Università della Svizzera italiana

> Faculty of Informatics

Auditorium West Campus Lugano

24 October 2024 18.00

Registration required

The Faculty of Informatics at USI has been a reality for 20 years: today it has 653 students from over 40 countries, 1'300 alumni worldwide, and is recognized internationally thanks to tens of millions of francs earned on a competitive basis. Its 20th anniversary represents a special opportunity to continue and extend the proximity to the territory.

Welcome by Luisa Lambertini, Rector Marc Langheinrich, Faculty Dean

Roundtable with the Faculty co-founders: Mehdi Jazayeri Alex Wolf Amy Murphy Antonio Carzaniga Michele Lanza Fernando Pedone

Reception to follow
